TOUCH
OF BEAUTY
IN EVERY CORNER

CATALOGUE 2023

“

A switch isn't just a switch.
It's a feeling that inspires
every house to be a home.

A touch of beauty in every corner

Switch is a reflection of your own self and everything you want your home to be. Every time you switch it on, you see the magic it creates.

Adding a touch of beauty in every corner of your home. And that is exactly what our switches do. Presenting the all-new **Akina!**

Supreme Aesthetics

Akina embodies striking design and functionality with its flagship slim & sleek front plates. Crafted from high-quality materials, it offers elegance and versatility for residential and commercial spaces. The module rotation feature allows flexible installation in constrained areas, accommodating both horizontal and vertical orientations.

Superb Experience

Unmatched Quality & Unparalleled Safety

Designed for precision and durability, the sleek modular switches endure daily demands. Crafted from quality materials, it guarantees absolute safety and reliability. Its components ensure smooth operation and a satisfying press experience. Not to mention, the minimal carbon deposition it will always be known for.

Seamless | Solid Installation | Endurance

Experience style, convenience, and reliability with **Akina** modular switches. Features include IP20 captive screw terminals, bi-metallic rivets for enhanced conductivity, and safety shutters on all sockets. Switches tested for 1 lac operations, sockets for 5000 operations. Yes, it is as amazing as it looks.

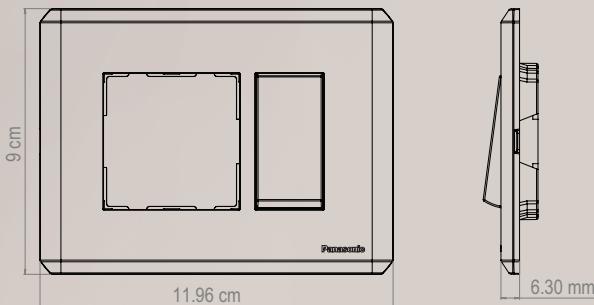

akina

► RoHS Compliant

Panasonic is committed towards making a positive & proactive contribution to the community.

So we highly pay attention to protect global environment and relieve environmental load from our business operation, complying with the RoHS directive.

► Slim & Sleek Design

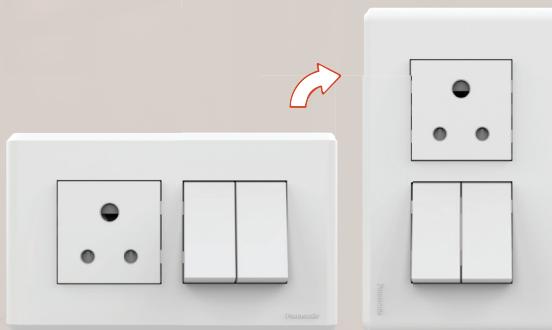

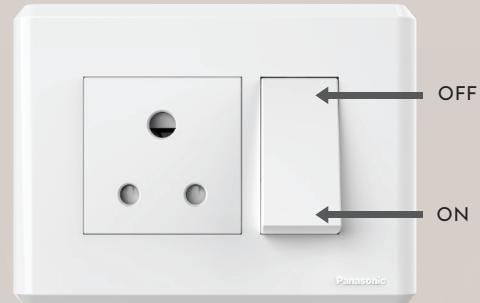

- Great aesthetic
- Blends with the wall and gives a very sleek look
- Easy to clean and maintain

► Long Operational Life

- 1 Lakh operations
- No need to worry for years to come

► Soft Operational Sound

- Switches with reduced sound
- Sound Level <65 Db

► Vertical & Horizontal Installation

- Can be mounted vertically or horizontally
- Vertically mounted plates can fit in any space constraints
- Looks trendy & young

► Captive Screws

- Screws do not fall away
- Avoid screw driver slippage

► IP20 Protection

- No live part is exposed to fingers and can be accessible only through screw driver
- Protects against solid object larger than 12mm
